

11th IEC Young Professionals Workshop

In conjunction with the 84th IEC General Meeting

Geneva, Switzerland – 09-11 Nov 2020

Are you

A young and dynamic manager, engineer or technician aged from early 20s to mid-30s?

Experienced in working with or developing standards or conformity assessment schemes?

Working for a company, business or industry that uses or benefits from IEC International Standards or Conformity Assessment Systems?

Wanting to become more involved in IEC-related activities?

Why attend

Participate in the only annual workshop dedicated to the next generation of experts and leaders on IEC standardization and conformity assessment activities.

Experience the IEC General Meeting: a key annual event that brings together the IEC technical and management community.

See how international standards are managed and developed through the opportunity to attend management and technical meetings.

Benefit from increased opportunities to get involved in IEC work after the workshop.

Benefits for you

Exceptional networking opportunities with 600 international key players.

Build knowledge and expand professional contacts.

Participate in interactive sessions and events where you can exchange with peers.

Have your voice heard: your ideas are reported to IEC management.

The workshop significantly improved my knowledge in the IEC process and the workings of international stakeholders and national committees. Along with other factors, it resulted in my promotion within my company internally and has improved my ability to contribute at a national level within the national committee I am involved with.

Olivia Brennan, Ireland

Benefits for your company

- Be ahead of the technology curve in your field.
- Help to ensure technology transfer.
